THE HOME
OF VISUAL ART
AND CRAFT

WELCOME

The family fun continues with **Family Shakespeare** and **Family Costume** workshops, as well as some crafty, messy fun with **Creative Explorers**. We are always excited to see our youngest participants enjoying arts activities for the first time, and with **Rhyme and Shine** and **Baby-wearing Boogie**, even the newest of little ones can take part.

We are very excited to welcome **Wildlife Photographer of the Year** to The Base and to coincide with its visit, we have a range of environmentally focused activities to challenge us to consider the impact we have on the planet. So why not give the **Clothes Swap, Don't Shop** a try, or learn how you can create a **Packaging Free Pantry**?

For adults, why not flex your creative muscles with our new **Writing for Performance** course at the Learning Centre or learn a fabulous new skill such as **Celtic Knot Construction and Decoration** or how to create a beautiful and delicate **Papercut Card** at The Base.
