WELCOME

We are excited to share with you a jam-packed programme of workshops and courses coming up this autumn.

In the **Learning Centre** we're delighted to be welcoming participants of all ages, with classes for little ones, young creatives, adults, and those over 55 as part of our **Ageing Creatively** funded programme.

Elsewhere at **The Base** there is a range of arts and craft classes to get stuck into, from glass painting and clay courses to festive workshops in partnership with Honesty Café. What better way to get into the festive spirit than by warming

yourself with a mince pie and a drink while making handmade gifts or decorations to take home with you?

Whether you are making a first visit or are returning for a regular activity, it is really important to us that all of our participants feel welcome and comfortable. We will be continuing to follow government guidance and if you have any questions about your visit please do not hesitate to get in touch via e-mail at getinvolved@cornexchangenew.co.uk or telephone **01635 582666**.
