

Disney Singalong: Tuesday Lyrics

I Just Can't Wait to be King- The Lion King

I'm gonna be a mighty king

So enemies beware

(Well, I've never seen a king or beast

With quite so little hair)

I'm gonna be the main event

Like no king was before

I'm brushing up on looking down

I'm working on my roar

(Thus far, a rather uninspiring thing)

Oh, I just can't wait to be king

(You've rather a long way to go, young master, if you think)

No one saying, "do this"

(Now when I said that, I)

No one saying, "be there"

(What I meant was)

No one saying, "stop that"

(Look, what you don't realize)

No one saying, "see here"

(Now see here!)

Free to run around all day

(Well, that's definitely out)

Free to do it all my way
(I think it's time that you and I
Arranged a heart to heart)
Kings don't need advice
From little horn-bills for a start
(If this is where the monarchy is headed
Count me out
Out of service, out of Africa
I wouldn't hang about
This child is getting wildly out of wing)

Oh, I just can't wait to be king
Everybody look left
Everybody look right
Everywhere you look I'm
Standin' in the spotlight
(Not yet!)

Let every creature go for broke and sing
Let's hear it in the herd and on the wing
It's gonna be King Simba's finest fling
Oh, I just can't wait to be king
Oh, I just can't wait to be king
Oh, I just can't wait to be king

You're Welcome- Moana

Ok, ok, I see what's happening here
You're face to face with greatness, and it's strange
You don't even know how you feel
It's adorable!
Well, it's nice to see that humans never change

Open your eyes, let's begin
Yes, it's really me, it's Maui: breathe it in!

I know it's a lot: the hair, the bod!
When you're staring at a demi-god
What can I say except you're welcome
For the tides, the sun, the sky
Hey, it's okay, it's okay
You're welcome
I'm just an ordinary demi-guy

Hey!
What has two thumbs that pulled up the sky
When you were waddling yay high
This guy!

When the nights got cold
Who stole you fire from down below
You're lookin' at him, yo

Oh, also I lassoed the sun
You're welcome!
To stretch the days and bring you fun

Also I harnessed the breeze
You're welcome!
To fill your sails and shake your trees

So what can I say except you're welcome
For the islands I pulled from the sea
There's no need to pray, it's okay
You're welcome!

Ha, I guess it's just my way of being me
You're welcome!
You're welcome!

Well, come to think of it
Kid, honestly I can go on and on
I can explain every natural phenomenon
The tide, the grass, the ground, oh
That was Maui just messing around

I killed an eel
I buried its guts
Sprouted a tree, now you got coconuts
What's the lesson?
What is the take-away?
Don't mess with Maui when he's on the break-away

And the tapestry here on my skin
Is a map of the victories I win
Look where I've been
I make everything happen
Look at that mini-Maui just tippity-tappin'

Well, anyway let me say you're welcome
For the wonderful world you know
Hey, it's okay, it's okay
You're welcome!

Well, come to think of it, I gotta go

Hey, it's your day to say you're welcome
'Cause I'm gonna need that boat
I'm sailing away, away

You're welcome!
'Cause Maui can do anything but float
You're welcome!
You're welcome!
And thank you!

When Will My Life Begin?- Tangled

Seven a.m., the usual morning lineup
Start on the chores and sweep 'till the floor's all clean
Polish and wax, do laundry, and mop and shine up
Sweep again, and by then it's like 7:15

And so I'll read a book
Or maybe two or three
I'll add a few new paintings to my gallery
I'll play guitar and knit
And cook and basically
Just wonder when will my life begin?

Then after lunch it's puzzles and darts and baking
Paper mache, a bit of ballet and chess
Pottery and ventriloquy, candle making
Then I'll stretch, maybe sketch, take a climb
Sew a dress!

And I'll reread the books
If I have time to spare
I'll paint the walls some more
I'm sure there's room somewhere
And then I'll brush and brush
And brush and brush my hair
Stuck in the same place I've always been

And I'll keep wanderin' and wanderin'
And wanderin' and wonderin'
When will my life begin?

And tomorrow night
The lights will appear
Just like they do on my birthday each year
What is it like
Out there where they glow?
Now that I'm older
Mother might just
Let me go

The Bare Necessities- The Jungle Book

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
Old Mother Nature's recipes
That brings the bare necessities of life

Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants

Then maybe try a few

The bare necessities of life will come to you

They'll come to you!

Look for the bare necessities

The simple bare necessities

Forget about your worries and your strife

I mean the bare necessities

That's why a bear can rest at ease

With just the bare necessities of life

Now when you pick a pawpaw

Or a prickly pear

And you prick a raw paw

Well next time beware

Don't pick the prickly pear by the paw

When you pick a pear

Try to use the claw

But you don't need to use the claw

When you pick a pear of the big pawpaw

Have I given you a clue?

The bare necessities of life will come to you

They'll come to you!

Oh man this is really living

So just try and relax, yeah cool it

Fall apart in my backyard

'Cause let me tell you something little britches

If you act like that bee acts, uh uh

You're working too hard

And don't spend your time lookin' around

For something you want that can't be found

When you find out you can live without it

And go along not thinkin' about it

I'll tell you something true

The bare necessities of life will come to you

Look for the bare necessities

The simple bare necessities

Forget about your worries and your strife

I mean the bare necessities

That's why a bear can rest at ease

With just the bare necessities of life

With just the bare necessities of life

Let it Go- Frozen

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen

The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I've tried
Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door

Let it go (go, go, go go, go go, go go, go, go, go go)

Let it go

Let it go

Let it go

It's funny how some distance makes everything seem small
And the fears that once controlled me can't get to me at all
It's time to see what I can do

To test the limits and break through
No right, no wrong, no rules for me
I'm free

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry
Here I stand and here I stay
Let the storm rage on

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past

Let it go
The cold never bothered me anyway
Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
