

Poetry and Pizzazz!

Poetic exploration through dramatic play

The Corn Exchange has a well-established reputation in Newbury for delivering high quality arts provision and for using the arts as a tool for children and young people's artistic and cultural development.

This workshop has been created because we are passionate about bringing poetry to life through dramatic play. This workshop aims to increase children's interest and engagement with different forms of poetry as well as developing their imaginative superpowers.

In this 1 hour workshop, which is suitable for Reception/KS1 classes, the children will explore listening to, performing, responding to and writing poetry through creative, interactive activities. Class teachers are welcome to select a theme (optional).

All our sessions are facilitated by experienced professional theatre and education practitioners.

The cost of this 1/off workshop is £50.00.

Multiple bookings are also possible either for the same class or for different class groups (£50 per additional hour).
